Nielsen Local TV Market data: DMA TVHH Market Rank: 86 Colorado Springs-Pueblo - TVHH: 385,730

Gazette circulation 21,487

Colorado Springs metro radio market rank is 87 in the Nielsen Metro Market Dec 2023. Southern Colorado continues a trajectory of significant influx of new industries & population growth. Forbes' Magazine's annual list of America's fastest-growing cities provides a holistic picture of places on the upswing.

Colorado Springs culture and economy are heavily influenced by the military with a significant number of defense corporations and bases located within the area. The military has had a significant presence in the Colorado Springs area for more than 70 years. What started with the U.S. Army's Camp Carson, has grown into a burgeoning community of five military installations, hosting key national commands such as the Air Force Space Command, North American Aerospace Defense Command, Missile Defense Integration and Operations Center and the United States Air Force Academy.

With the city located at the base of the Rocky Mountains, next to Pikes Peak and 60 miles south of Denver, with good air quality and brisk seasons, Colorado Springs is a popular destination for tourists seeking scenery, rock formations and other unique geological features, like America's Mountain Pikes Peak, Garden of the Gods Park, Seven Falls, and Cave of the Winds.

Colorado Springs is known as Olympic City USA, CS is the heart of the nation's Olympic movement with a Culture of Excellence. As the proud home to the United States Olympic Committee Headquarters, 23 National Olympic Governing Bodies, 59 national & international sports organizations, the Colorado Springs Olympic Training Center and the U.S. Olympic & Paralympic Museum. Athletes and coaches have long recognized Colorado Springs as the epicenter of the U.S. Olympic and Paralympic Movements.

Colorado Springs consistently ranks at the top of a variety of national and international lists:

#2 2022 U.S. News & World Report – Best Places to Live in the US, with a median age just under 35 and a high score for quality of life and value

#1 Park in the US – Garden of the Gods Park, Visitor & Nature Center – one of the most incredible geological wonders in the world – Trip Advisor

#1 fDi Intelligence, 2017 – Mid-Sized American Cities for Human Capital & Lifestyle

#1 Outside Magazine – Best Town 2021

#9 in U.S. News & World Report's 2023-2024 Best Places to Live rankings

Advertising & Marketing Services

Media Channels

Display Advertising

Shows visual ads on standard spaces on web pages and mobile devices to reach targeted users and promote products or services.

Connected TV / OTT

Video ads delivered in content on Internet-connected TVs, providing the same experience as traditional TV commercials.

Digital Audio

Audio ads served to individuals through streaming audio platforms.

Email

Full-service email marketing to reach your target audience effectively using our data of opt-in individuals.

Native Display

Ads seamlessly integrated with surrounding content, such as between paragraphs on a news site or in a social media feed.

Responsive Guaranteed Display

Responsive ads served on websites or apps. We guarantee a .6% CTR per month.

SEM

Google Search or Bing Ads.

Social Media

Native ads in feeds, seamlessly blending with the user's experience.

Hyper-Targeting

Geofencing

Serve hyper-local, relevant ads to audiences while they are near your specific retail location to drive in-store visits and sales.

Weather Trigger

Target ads in real-time based on weather conditions within each zip code.

DNA Digital

Follow fully-identified audiences from our vast first-party database (or your CRM export) with an immersive multi-channel ad campaign

Direct Mail Digital Extension

Expand targeting to every device in a household to drive engagement using home addresses.

Attribution

POS Match-Back

Compare customer conversions with our original audience file to track which people from our audience became a customer.

Foot Traffic

Measure how many consumers react to campaigns by tracking how many in-store visits were achieved.

Cross-Device Pixel Tracking

Track how many specific actions were taken on a website to understand your customers' conversion path.

Marketing Services

Website Development

Best-in-class website development and management.

Landing Page Creation

Custom domains used for tailored messaging and optimizing on conversions.

Social Posting

Combining organic and paid promotion to foster engagement with a broader audience.

SEO

Optimizing websites to improve visibility and ranking on search engine results.

Local SEO

Improving the online visibility of a business for location-based searches.

Reputation Management

Building a positive online presence via review monitoring and generation.

Content Marketing

Creating and promoting relevant and optimized content to attract and engage a specific target audience.

Content Development

Development of various types of content, such as articles, blog posts, videos, infographics, podcasts, and other forms of media.

Our Approach | Data + Technology + People

Data

Cumulus Media reaches a quarter billion people each month. By leveraging first party and third-party data we deliver greater personalization, improved targeting, and efficient reach to drive campaign success.

Technology

Leading technology partnerships and expertise means your clients benefit from best-in-class DSP platforms, marketing automation platforms, social media management tools, data analytics tools, and more.

People

Our team of **150+ digital experts across the U.S.** helps your client's campaign go from an idea, to execution, to end reporting.

Local Marketer

The boots on the ground making sure you have someone to call when you have a need.

Digital Strategist

Specialized Digital Marketing Consultants assigned to develop custom and unique strategies for every campaign.

Support + Fulfillment

The team managing campaign optimizations, responding to client requests, and focused on achieving client objectives.

What You Can Expect

Custom Strategy

- Tell us the objective and we'll build the strategy!
- Whether it's a single campaign or a full-year media plan, you can count on us to develop the right strategy to achieve your client's goals.
- We operate behind-the-scenes and/or client-facing as needed

Dynamic Creative

- Take your creative to the next level!
- We develop ads designed to engage the target audience and drive conversions.
- We offer complete creative services for all digital channels and ad formats.

Consistent Campaign Management

- We are laser focused on your client's success.
- Our results-driven team manages campaigns, utilizing best-in-class conversion tracking to optimize performance and provide valuable insights. Our collaborative account management approach combines diverse perspectives, specialized skills, and teamwork for superior campaign strategy, execution, and optimization.

Real-Time Measurement

- Impress your clients with customized, professional-grade reports without the need for expensive in-house reporting software or resources.
- We offer enhanced attribution reporting such as point of sale matchback, foot traffic analysis, and customer conversion tracking.

Monthly Listeners

Cumulus Media reaches the majority of the US population across our vast footprint of radio stations, websites, streams, and podcasts.

Multi-Channel Ad Frequency

Targeting known audiences across owned devices

CROSS-PLATFORM MEDIA SATURATION

“To each person, it feels like you spent a million dollars on your campaign because your ads seem to keep following them wherever they go.”

Precision Audio

See what happens after a customer interacts with your ad

Precision Audio is able to identify and serve audio ads to your target audience. We do this through using demographic targeting like age, gender and DMA.

- **Precision Audio** gets your brand in front of the same audience when they are not by the radio.
- **Radio** enables you to target your desired audience by station demographic during specific dayparts.

Holistic Audio Campaign

Use Precision Audio to target using demographic, location, interests and more. Combine Precision Audio with Radio for a holistic audio campaign.

Precision Audio ads can serve to the targeted audience on their mobile phone, tablet and/or computer while they:

- Stream their favorite radio station
(all radio formats included)
- Listening to podcasts

Sweet Deals is RADIO. It's a marketing campaign for your business with **no up-front cash investment.**

It's not about the offer. We limit your liability by selling a fixed, fair number of deals.

Success comes from the advertising, not deal redemption.

How? You control the creative message. Our on-air execution is commercial content for your business.

It's a **great way to fund marketing** for your specific business objectives like new menu items and offerings, seasonal events, slumps or new additional locations.
